DID YOU KNOW?

California has ideal climate and innovative farming techniques that result in some of the highest rice yields in the world, while providing rice of the highest quality.

The California Rice Commission represents the 2,500 family rice farmers and handlers who farm and process rice produced in California on approximately 500,000 acres annually.

Mikuni serves HINODE Medium Grain Calrose Rice to create delicious sushi and special dishes. We use as much as 2.6 tons of rice per week!

Rice is one of the most nutritious grains in the world. It is healthful, yet great-tasting food choice that is an important component in a balanced diet. This wholesome, nutritious grain is cholesterol-free, sodium-free, gluten-free and is easy to digest.

California rice is the foundation for cuisine that spans the globe. Sushi from Japan, rice bowls from Korea, paella from Spain, risotto from Italy and pilaf from Turkey are all made from medium and short grain rice grown in the Sacramento Valley.
